

### 1. Product and Company Identification

Product Code: 20-3610-xx  
 Product Name: 2'-OMe-C-RNA-CPG  
 Product Use: For Research Use Only  
 Manufacturer Information  
 Company Name: Glen Research LLC  
 22825 Davis Drive  
 Sterling, VA 20164 USA  
 Phone Number: 1-703-437-6191  
 Web site address: www.glenresearch.com  
 Email address: msds@glenres.com  
 Information in case of emergency: 1-703-437-6191  
 CAS Number: No data  
 Synonyms: 5'-Dimethoxytrityl-N-benzoyl-Cytidine, 2'-O-methyl, 3'-succinoyl-long chain alkylamino-CPG

### 2. Hazards Identification

GHS Classification of the substance or mixture

Not a hazardous substance or mixture

Classification according to Regulation (EC) No 1272/2008

GHS Label elements, including precautionary statements

Not a hazardous substance or mixture

Other hazards which do not result in classification

None

### 3. Composition/Information on Ingredients

**Essentially 100% 2'-OMe-C-RNA-CPG**

| Product Name     | CAS #  | Concentration | M.W. | Formula |
|------------------|--|---------------|------|---------|
| 2'-OMe-C-RNA-CPG | No data  | 100 %         |      |         |
| <b>Synonyms:</b> | 5'-Dimethoxytrityl-N-benzoyl-Cytidine, 2'-O-methyl, 3'-succinoyl-long chain alkylamino-CPG |               |      |         |

The product contains no substance, which at their given concentration, are considered to be hazardous to health.

#### 4. First Aid Measures

##### Emergency and First Aid Procedures

If inhaled, remove to fresh air.

If not breathing, give artificial respiration.

Get medical attention.

In case of skin contact, immediately wash skin with soap and plenty of water.

Remove contaminated clothing.

Wash clothing before reuse.

Get medical attention if symptoms occur after washing.

If swallowed, rinse mouth with water.

Get medical attention.

If in contact with eyes, rinse cautiously with water for several minutes.

Get medical attention if symptoms occur after washing.

Remove contact lenses if present and continue rinsing.

#### 5. Fire Fighting Measures

**Flash Point:** No data

**Explosive Limits:** LEL: No data UEL: No data

##### Fire Fighting Instructions

A finely divided dust aerosol may be explosive, although the exact conditions of the hazards are unknown.

Wear appropriate protective clothing to prevent contact with skin and eyes.

Wear a self-contained breathing apparatus (SCBA) if necessary.

##### Flammable Properties and Hazards

No data available.

##### Hazardous Combustion Products

Oxides of Nitrogen and Carbon

##### Suitable Extinguishing Media

Use a Class A Extinguisher (Dry chemical, carbon dioxide, water or foam).

##### Unsuitable Extinguishing Media

No data available.

#### 6. Accidental Release Measures

##### Steps To Be Taken In Case Material Is Released Or Spilled

Sweep up bulk of material and finish by wiping with a damp towel. Do not let product enter the drain.

Wear impermeable gloves, safety glasses and a lab coat when cleaning up the spill.

A NIOSH dust mask is recommended when a possibility of dust inhalation exists. Local exhaust is usually sufficient.

#### 7. Handling and Storage

##### Precautions To Be Taken in Handling

Handle using safe laboratory practices. Avoid all direct contact.

##### Recommended Storage

Controlled room temperature or lower, dry

##### Precautions To Be Taken in Storing

Keep container tightly closed. Store in well-ventilated place.

##### Other Precautions

Protect from sunlight.

### 8. Exposure Controls/Personal Protection

| Product Name     | CAS #   | OSHA PEL | ACGIH TLV | Other Limits |
|------------------|---------|----------|-----------|--------------|
| 2'-OMe-C-RNA-CPG | No data | No data  | No data   | No data      |

#### Respiratory Equipment (Specify Type)

A NIOSH dust mask is recommended when a possibility of dust inhalation exists.

#### Eye Protection

Safety glasses

#### Protective Gloves

Impermeable gloves

#### Other Protective Clothing

Normal laboratory apparel

#### Engineering Controls (Ventilation etc.)

Local exhaust ventilation is usually sufficient

#### Work/Hygienic/Maintenance Practices

Wash hands after handling

### 9. Physical and Chemical Properties

|  |                              |                                 |   |
|--|------------------------------|---------------------------------|---|
| Physical State:                          | <input type="checkbox"/> Gas | <input type="checkbox"/> Liquid | <input checked="" type="checkbox"/> Solid |
| Appearance:                              | White to off-white powder    |                                 |   |
| Odor:                                    | Odorless                     |                                 |   |
| Odor Threshold:                          | No data                      |                                 |   |
| pH:                                      | No data                      |                                 |   |
| Melting Point:                           | No data                      |                                 |   |
| Freezing Point:                          | No data                      |                                 |   |
| Initial Boiling Point and Boiling Range: | No data                      |                                 |   |
| Flash Point:                             | No data                      |                                 |   |
| Specific Gravity:                        | No data                      |                                 |   |
| Evaporation Rate (Water=1):              | No data                      |                                 |   |
| Flammability:                            | No data                      |                                 |   |
| Explosive Limits:                        | LEL: No data                 | UEL: No data                    |   |
| Vapor Pressure (vs. Air or mm Hg):       | No data                      |                                 |   |
| Vapor Density (vs. Air = 1):             | No data                      |                                 |   |
| Relative Density:                        | No data                      |                                 |   |
| Solubility in Water:                     | No data                      |                                 |   |
| Partition Coefficient (n-octanol/water): | No data                      |                                 |   |
| Auto-ignition Temperature:               | No data                      |                                 |   |
| Decomposition Temperature:               | No data                      |                                 |   |
| Viscosity:                               | No data                      |                                 |   |
| Percent Volatile:                        | No data                      |                                 |   |

### 10. Stability and Reactivity

**Stability:** Unstable [ ] Stable [X]

#### Conditions To Avoid - Instability

Stable under recommended storage conditions.

#### Incompatibility - Materials To Avoid

Strong oxidizing reagents

#### Hazardous Decomposition or Byproducts

Oxides of nitrogen and carbon may evolve when heated to decomposition.

**Possibility of Hazardous Reactions:** Will occur [ ] Will not occur [X]

#### Conditions To Avoid - Hazardous Reactions

Stable material, hazardous polymerization will not occur.

### 11. Toxicological Information

To the best of our knowledge, the toxicological properties of this substance have not been investigated.

This product should be handled with the usual care when dealing with chemicals.

| Product Name                    | CAS #                    | NTP     | IARC    | OSHA    |
|---------------------------------|--------------------------|---------|---------|---------|
| 2'-OMe-C-RNA-CPG                | No data                  | No data | No data | No data |
| Endocrine Disruptor Information | No information available |         |         |         |

### 12. Ecological Information

No data available.

### 13. Disposal Considerations

#### Waste Disposal Method

For Product - Observe all federal, state and local regulations.

For Contaminated Packaging - Dispose of in compliance with regulations.

Sweep up bulk of material and finish by wiping with a damp towel. Dispose of unused product.

### 14. Transport Information

#### LAND TRANSPORT (49CFR)

49CFR Shipping Name Not a dangerous material as defined in the regulations.

#### AIR TRANSPORT (ICAO/IATA)

ICAO/IATA Shipping Name Not a dangerous goods as defined in the regulations.

#### MARINE TRANSPORT (IMDG/IMO)

IMDG/IMO Shipping Name Not a dangerous goods as defined in the regulations.

Marine Pollutant: No

#### Additional Transport Information

Not regulated as a hazardous material or dangerous goods.

***SAFETY DATA SHEET***

***(20-3610-xx, 20-3710-xx)***

**15. Regulatory Information**

SARA 302 Components: No chemicals in this product are subject to reporting requirements of SARA Title III, Section 302.

California Prop. 65 Components: This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

SARA 313 Components: This product does not contain any chemical components with known CAS numbers that exceed the threshold reporting levels established by SARA Title III, Section 313.

This product has been reviewed for inclusion on the Candidate List of Substances of Very High Concern (SVHC) REACH – not listed.

This product has been reviewed for inclusion on the Substances Restricted under REACH – not listed

**16. Other Information**
